

Hello Friends and Family!!

I wanted to take a moment to introduce our Wedding Newsletter to you. =) Chris and I wanted to create something that makes you feel this is your trip too. You're going to be a big part of what makes this trip memorable for all of us. I'll try to do all that I can to keep you informed of all the changes and updates as they happen.

This is a communication that I will send out monthly to update you all on the status of the trip. Since this is a destination wedding, there will be a lot of travel info. I felt that it's best if it all comes in one place, then it can be used for reference at a later date. Of course, if you have any questions at any time, please let myself or Chris know. =) I just wanted to get the basics out there for you to review and digest.

Each month, you'll get an edition of "The Wedding Chronicles" with the banner above on the top. I'm not going to put our names on the top of each one. I figure if you don't know us by now, then you really shouldn't be reading this communication. =) Maybe I should put the disclaimer like on the bottom of the faxes received in case of error ? =)

I hope to use this as a fun way to send out important travel info, contact info, times, dates, etc. I'd also like to take the opportunity to use this as a way for everyone to learn something about each other. There are many of you that I don't know incredibly well and I'm sure the same goes for Chris. Likewise, how much do you know about us? This is a chance to learn more before we all get together. I'd love to be able to share fun stories, crazy pictures, etc. I promise, I won't embarrass anyone too much, well except Chris. But I'm sure he'll step in and find one of those lovely pictures of me to throw in here. =) You know the ones, the ones that you've hidden so well, they're always the first ones found?

Again, I want to say thank you. Thank you! Thank you! Thank you! Thank you for sharing our moment and the rest of the week with us. It's the togetherness that is going to give us all memories and stories to share for years to come.

I hope you look forward to your monthly Wedding Chronicles!

Warm Regards,

*Allison & Chris*
